AlfrescoPlus™ is a registered Trademark of Sitro Group Australia Pty. Ltd. 33 – 35 Lionel Road, Mount Waverley, VIC 3149

Material and design specifications subject to change without notice. Product colour reproduction is as near to actual product colour as production methods allow. AlfrescoPlus™ products in this brochure are the subject of registered designs and patents.

New 3D app, coming soon!

Create your dream outdoor kitchen in 3D and view it in photo-realistic augmented reality with our soon to be realised outdoor kitchen planner.

When you have space outdoors, create your own outdoor kitchen with AlfrescoPlus™. No matter your aspirations, we've got the inspiration to help make it happen with our durable, modern and stylish modules that you can mix and match yourself.

Once you've measured your space and chosen your BBQ, simply visit the Special Orders Desk at your local Bunnings or order online at bunnings.co.nz.

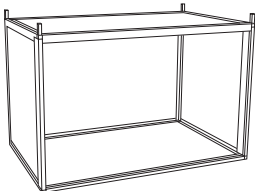

You will be relaxing in your alfresco area with your brand new AlfrescoPlus™ outdoor kitchen before you know it!

Pre-packed AlfrescoPlus™ DIY Range

The AlfrescoPlus™ range makes it easy to get your outdoor BBQ kitchen set up! We've done the thinking for you, flat packing popular colour palettes with ready to go appliances making your install from start to finish achievable by the DIYer.

Check out the assembly videos at alfrescoplus.co.nz

AlfrescoPlus™ Aluminium Frame

The AlfrescoPlus™ aluminium framing system provides the backbone of our outdoor kitchens.

They harness the power of technological advances and engineering perfection, bringing together a patented cabinetry system that's unlike anything else on the market.

100% Waterproof

When combined with waterproof PVC panels, AlfrescoPlus™ aluminium extrusions join seamlessly, forming a rigid and robust cabinetry solution that is almost 4 times quicker to construct than traditional cabinetry.

We Have You Covered

Backed by our friendly customer service and guaranteed warranties. We use quality materials and offer a 7 year structural warranty for your peace of mind*. You don't need to worry about a thing.

It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly under cover. This will protect it from the elements and UV rays and generally keep it cleaner.

New Sintered Stone benchtops

Exceptional performance and quality

With 100% UV stability and zero porosity, our new sintered stone is the ideal solution to your new AlfrescoPlus™ outdoor kitchen. Our sintered stone benchtops* are manufactured by a metamorphic process and contain no chemical binders meaning that they can be installed in outdoor kitchens across New Zealand.

*If you need to have any work, holes, alterations made to the finished sintered stone benchtops, this will need to be done by a registered stonemason. DO NOT attempt it yourself.

STEP 1

Measure Your Space

Your AlfrescoPlus™ outdoor kitchen can be made as small or as large as you like – to suit your alfresco area and your budget. The options are limitless.

Every outdoor kitchen starts with a vision.

STEP 2

Select Your Appliances

Kiwis love their barbecues and outdoor lifestyle.

Our commitment to excellence in quality, design and both technical standards and innovation means that with AlfrescoPlus™ you can transform your outdoor space into a desirable alfresco area, perfect for entertaining. Choose your appliances for your alfresco kitchen from the extensive range at Bunnings.

STEP 3

Choose Your Cabinets

The AlfrescoPlus™ modules feature PVC panels which are impervious to water and won't crack, split or rot. And the patented aluminium frames make assembly easy for any DIYer. All modules come partially assembled, pre-packaged and flat-packed!

BBQ Modules

There is a specific BBQ module in the AlfrescoPlus™ range that will suit your preferred BBQ. The possibilities are endless!

All BBQ modules feature venting that ensures compliance with Australian standards for LPG cylinder storage. The AlfrescoPlus™ patented Air Frame system, included with every BBQ module, provides a thermal heat and fire proof shield between the BBQ and the cabinetry. There are also vents in the fridge modules to allow plenty of air ventilation.

Arctic White

What's Included

Benchtops, Taps, Sinks and Handles

Finish on a High with AlfrescoPlus™

Transform your outdoor kitchen with AlfrescoPlus™ designer tap, sink, and door handle hardware. Crafted from high-quality materials, our products ensure durability and style, making your kitchen both beautiful and functional.

Built for Everyday Chefs

Our hardware features clean, smooth surfaces that are resistant to scratches, stains, and heat. Perfect for any cooking style, AlfrescoPlus™ makes food preparation enjoyable, whether you're hosting a gathering or a family meal.

Easy to Clean, Easy to Love

With AlfrescoPlus™, maintenance is a breeze. A simple wipe with a cloth keeps your kitchen looking pristine, so you can focus on entertaining and enjoying time with friends and family.

Elevate your outdoor cooking experience with AlfrescoPlus™ – because every detail counts.

Mixer Tap

Our AlfrescoPlus™ gooseneck matte black WELS rated mixer tap brings a touch of contemporary elegance to your space. Designed with practicality in mind, its long spout allows you to maneuver it effortlessly, even with full hands—just use your elbow to move it aside. With a 360° swivel function, this tap provides efficiency and convenience, making it a great addition to any outdoor kitchen.

New Sintered Stone Benchtops

Our sintered stone benchtop is a new material that contains no chemical binders. It is manufactured using extreme pressure and heat, combined with a mix of minerals, to create a solid stone benchtop* that can be installed in outdoor kitchens anywhere in New Zealand. With 100% UV stability and zero porosity, it is the ideal solution to your new AlfrescoPlus™ outdoor kitchen.

*If you need to have any work, holes, alterations made to the finished sintered stone benchtops, this will need to be done by a registered stonemason. DO NOT attempt it yourself.

Single and Double Sinks

Our AlfrescoPlus™ Matte Black single and double sinks are made from premium materials for a more robust finish and design.

Single Sink

Overall Size:
450x300x200mm

Double Sink

Overall Size:
500x400x300mm

Handles

Black, ergonomic and elegant handles.

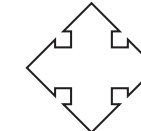

AlfrescoPlus™ storage, sink, drawer and fridge module kits

AlfrescoPlus™ Pre-Designed DIY Outdoor Kitchen Range

The ultimate outdoor kitchen solution for your outdoor alfresco area.

Our fabrications are unmatched, ensuring that your outdoor kitchen is effortless to measure, design and build.

Easy Assembly

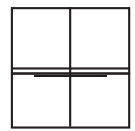

Clear, step-by-step instruction manuals and online assembly videos enhance your DIY experience.

The modules come flat-packed, making them easy to transport and assemble with confidence.

Market Leading Appliances

Choose from a wide selection of market-leading appliances, including BBQs, bar fridges, and a rangehood, to bring your dream outdoor kitchen to life.

Modules – Flexibility at Its Finest

Our range offers single and double sink options, fridge, drawer, and storage modules, all designed to fit your space and needs.

Choose from a variety of BBQ modules tailored to suit your selected grill. Whether you're looking to create a compact cooking station or a sprawling outdoor kitchen, our flexible configurations make it easy to customise your setup to perfectly match your area and budget.

Important Information

- Under Cover** – It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly under cover. This will protect the unit from the elements and UV rays and generally keep it cleaner.
- State and Australian Standards** – When positioning the outdoor kitchen, it must conform to both State and Australian Standards. i.e. open ventilation and also distance to combustible surfaces. Refer to your BBQ instruction manual for more details.
- LPG Installations** – If you choose to run your BBQ on LPG, we've got you covered. All BBQ modules feature venting that ensures compliance with Australian standards for LPG cylinder storage.
- Natural Gas Installations** – if you choose to run your BBQ off Natural Gas, you will need to arrange for a **licensed plumber** to both convert your BBQ for natural gas usage (depending on your BBQ), as well as connect to your natural gas plumbing as per the regulations.
- Alternative BBQs** – If the BBQs on offer through Bunnings do not suit your needs, or you already have a built-in BBQ that you would like to install in your AlfrescoPlus™ Outdoor Kitchen, we can produce Custom BBQ modules to suit most brands & models of built-in BBQs. Please Refer to pages 12 & 13 for more details. Alternatively, you can email us at info@alfrescoplus.co.nz for further assistance.
- Cross sectional side view to show service cavity** – All bench tops are deeper than the module that they sit on to allow for services – hot and cold plumbing, electrical cords and drainage – to run behind the outdoor kitchen when assembled.

The legs on each module are designed to be adjusted for levelling.

* Note: All plumbing and electrical work must be carried out by a registered trades person.

Pre-packed AlfrescoPlus™ DIY Range

The AlfrescoPlus™ range makes it easy to get your outdoor BBQ kitchen setup! Our modules are all delivered in a flat pack form for easy transport and assembly!

Check out the assembly videos at alfrescoplus.co.nz

How It Works

It's as simple as 1,2,3! Follow the steps shown to purchase or order your product. If you need further advice, speak to a team member at the Special Orders Desk in-store.

1. Select The Product You Want

View the extensive range available in this brochure or online. Use the number shown below to order your product online or in-store.

2. Order Online or at the Special Orders Desk

After you have selected the product you want, take this brochure to the Special Orders Desk or order online at bunnings.co.nz

3. Get It Home

We Will Deliver

Delivery to your home or site can be arranged online or in-store when purchasing your products.

Pick-Up In-Store

If you decide to pick-up in-store and need help to get it home, you can:

- borrow a courtesy trailer
- hire a vehicle

Check with your local Bunnings store for availability.
